WARNING: READ BEFORE USING YOUR PlayStation®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:
Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

DUALSHOCK®2 ANALOG CONTROLLER CONFIGURATIONS

It was two years ago that Henry Townshend moved into Room 302 of South Ashfield Heights, an apartment building in the medium-sized city of Ashfield. Henry was happy and enjoying his new life.

But five days ago, something strange began to happen. A recurring dream began to haunt him. And there was one other thing...

HENRY TOWNSHEND
Henry is a calm, young man who never lets his feelings show. By the time the story begins, he has been locked in his room for five straight days. Suddenly, a large hole appears in his bathroom wall with no reason or warning, and he is dragged into the depths of terror.

EILEEN GALVIN
Eileen is Henry's next-door neighbor: the young resident of Room 303. She has a kind personality, although she has the tendency to depend too heavily on others at times. The relationship between Eileen and Henry is nothing more than simple recognition of one another, but they are both dragged into a strange set of events that will change everything.
